Estate of \$91,000 Sought by Two Sons

Mrs. Mary Grace Whipple, who lived at Burlingame for 60 years prior to her death Mar. 9, left an estate valued at \$91,000, according to a petition for letters of administration on file in the superior court today.

Petitioners are her two sons, Stephen Knight Whipple Jr., San Mateo, and Burton Whipple of Berkeley, who share alike in the estate.

Included in the estate is \$6000 in cash in Burlingame and San Francisco banks, business and residential property in Burlingame.

Board Members In San Diego

While San Mateo County mulled over the special charter election situation, four members of the board of supervisors today were at the annual convention of the supervisors' association at San Diego.

Supervisors John W. Poole, Fred E. Beer, Alvin S. Hatch and James S. James arrived in the southern city. Chairman of the board, H. H. Smith, did not make the trip.

Meanwhile public opposition to a special election for the offices of executive, engineer, tax collector, recorder, treasurer and coroner-public administrator on the eve of the regular elections in August and November, continued to grow.

Highlands District Improvement Club joined the Lafayette Club, San Carlos Chamber of Commerce, Menlo Park Taxpayers League and other groups opposed to the special election.

In a resolution adopted by the board of directors, the club commended the district attorney and the supervisors "most highly" for their refusal to call the special vote. The club also warned that its 500 members would resent any efforts by interested candidates to rush the election through at this time when it could be held as well at the August primary.

Free Oil Prize In New 'Game'

Heard about the new silent game which local motorists are playing? It starts Monday and is more fun than a mystery story. Unlimited prizes of "free oil" are being offered and everybody with a car is hoping to be the lucky winner.

Rules are simple. With motorists playing on one side and Shell dealers displaying "free oil" stickers on the other. All the motorist does is watch quietly while his car is serviced. Then, if the Shell dealer forgets to check the oil, the motorist is given free all the motor oil he needs to bring his crankcase oil level up to the "full" mark, regardless of how many quarts it may take.

Every motorist is entitled to play. Who will be the first winner?

Planting Chart Offered Free

Distribution of the new Gaviota Planting Planner, which by means of a chart shows how and when to plant all kinds of flowers, is being made free by Kertz & Son, 160 Maple St.

The chart also shows when flowers bloom, what their principal colors are, the height, whether or not they are fragrant, and whether or not they are good for cutting. Approximately 120 varieties of flowers are considered.

In addition, the planting and care of lawns and the means of properly fertilizing all kinds of growing things are considered in the folder.

Band Uniforms Ready Apr. 21

Uniforms were fitted to nearly 40 members of the Redwood City Municipal Band Tuesday in preparation for the "presentation concert" at Sequoia Union High School provisionally set for Apr. 21.

The band has acquired two double b-flat bass horns to complete its equipment. Drums and other instruments were received last week.

Other dates on the band's calendar were announced as follows: Sunrise services, Emerald Lake, Apr. 17; Odd Fellow's Home concert, Saratoga, May 8; Memorial Day parade, Redwood City, May 30.

The band agreed to play for the opening of the Redwood City softball league in May.

Iron and steel scrap, formerly considered junk, has within the last few years reached the front rank among the raw materials on which the world's steel industry depends.

"EVERYONE SING" . . . WHY? . . .

... Because Baby Snooks of the radio, Fanny Brice to you, and you, sings with Allan Jones and Judy Garland in a picture called "Everybody Sing", which is currently wowing 'em at the Fox Sequoia Theater. Warren William in the latest "whodunit" film, titled "Arsene Lupin Returns" is the second feature on this brilliant program.

EASTER STORE CLOSING ASKED

Citizens Appointed by Council To Aid Plans For Annual Sunrise Rites

Redwood City merchants accustomed to keeping their places of business open on Sundays will be urged by the city council to close at least three hours on Easter Sunday, Apr. 17, so that their employees may attend religious services.

This was decided on Monday at the same time that the council through Mayor Paul A. McCarthy appointed a Civic Committee on Easter Sunrise Services at Emerald Lake Bowl, which will work with the Redwood City Ministerial Union, sponsors of the annual rites.

On the committee are Charles G. Lambert, chairman; Dr. R. Lee Otis, Clifton Woodhams, Mrs. B. E. Myers, Mrs. A. S. Kalenborn, Maj. H. W. Edmonds, Floyd D. Granger, Roger Walsh, Joe Farr, A. J. Dempsey, H. E. Jenkins, James M. Eva, John E. Layng, Kenneth L. Bowen, Evans A. Fletcher, A. T. Smith, A. C. Argo.

The suggestion of the naming of a citizens' committee came from Mayor McCarthy in order to lend city sponsorship to the event, which annually attracts several thousand people to the bowl.

The message to the merchants, it was decided, would be delivered through the press and the Retail Merchants Division, Redwood City Chamber of Commerce. It was recommended that the business houses be closed at least between 10 a.m. and 1 p.m.

Sunrise on Easter Sunday will be at 5:33 a.m.

GOVERNOR'S CLEAN-UP AID ASKED

Owner of Union Cemetery Is Sent Appeal

"Dear Governor Merriam: Please clean up your lot in Redwood City." That appeal, or one to that effect, was revealed Monday to have been sent to California's chief executive by Redwood City's "Clean Up During 1938" Campaign Committee.

For Governor Merriam, by virtue of his position, is legal owner of Union Cemetery, on Woodside Rd. Many governors have owned the cemetery. But, like Governor Merriam, they haven't had any particular interest in it. As a result, its appearance in spots isn't of the best.

For more than a year, the city council has been trying to unsmear the red tape which binds the lot to the governor. The council wants to own the cemetery so it can do something about improving its appearance.

Failure To Pay Alimony Jails Man

Because he failed to keep his bargain with the court, under which he agreed to pay his wife alimony each month in return for his freedom, Horace Burnham was back in the county jail today for a 90-day stretch. His probation was revoked late Monday by Judge A. R. Cotton on motion of the district attorney.

In Judge Maxwell McNutt's court, Michael Jabin, involved in a fatal accident Feb. 11, pleaded not guilty to charges of driving while under the influence of liquor. Rixford I. Watson, facing a Hillsborough burglary charge, pleaded not guilty and demanded a jury trial. Both cases will be set next Monday.

C. W. Hoffman, former Redwood City engineer, pleaded not guilty by reason of insanity to bad check charges. Trial was set for Apr. 1. Wong Sing, Menlo Park Chinese convicted of possessing opium, made a motion for probation. The motion will be heard Apr. 4.

As Cargo Unloaded

Distribution to Peninsula yards of the lumber unloaded Saturday from the schooner Florence Olson was being made today from the Port of Redwood City.

The freighter finished unloading its cargo of Douglas fir, brought here from Longview, Wash., shortly after 5 p.m. and departed. The unloading occurred without incident, Port Manager Walter F. Murphy said.

The boat was the fourth to bring lumber to the Redwood City harbor.

MENLO PARK
NEWS

Very little interest is manifest in the municipal election that takes place Apr. 12, although there is still ample time for the campaign to warm up. There are five candidates for the three trusteeships to be filled. The contest will be enlivened during the next week when the candidates buckle on their armor.

Mothers' and Fathers' Day was observed by members of the Alumni of St. Joseph's School in the auditorium of the school Sunday afternoon. An interesting program was rendered by the members of the organization, at the completion of which refreshments were served. The "old folks" enjoyed the occasion immensely.

Mrs. Kathryn Hawkins of San Francisco is spending the month with her mother here.

A mission for the Italian population of the community is now taking place in Church of the Nativity, and will be concluded Sunday. Father Chicotti of San Francisco is conducting the mission.

Richard Roach celebrated his birthday anniversary Tuesday with a dinner given at his home to a number of friends.

Mr. and Mrs. Stewart Lowery of Menlo Park spent the week-end in Yosemite Valley, where they enjoyed the snow sports. With them were their niece, Miss Gail Crouse of New York, who is their house guest on the Peninsula; Mrs. Lowery's son, William Taylor, and Mr. and Mrs. Bliss Rucker.

The recent storm has driven large flocks of wild pigeons from the mountains to this community. The birds make their temporary home in the oak trees on the Hopkins and Flood estates.

At Palo Alto Hospital Tuesday twin boys were born to Mr. and Mrs. Francis Johnson. Grandfather F. W. Johnson, the well known Native Son, is proud of the pair. The happy father is a Stanford man and a government employee.

A statewide vocational and educational program to improve the personnel and technique of fire fighting departments will be inaugurated within 30 days under the joint direction of the state board of education and a commission of fire department executives. Chief Thomas E. Cuff of Menlo Park reported Monday on his return from a week-end Woodland meeting of the Northern California Fire Chiefs Club. He was re-elected secretary.

The association agreed to its reorganization as the California Fire Chiefs Conference, Northern Division, he said.

Peninsula firemen in attendance at the convention besides Cuff included County Fire Warden Bert L. Werder and Chiefs Edward J. Wheeler, San Carlos, and Fred Johnson Jr., Belmont.

Agricultural
Group Named

By joint action of the Committee of 43 of San Francisco and the Associated Farmers of California Inc., there was Monday made public the names of the business men and farmers who will seek to restore the free flow of agricultural products into San Francisco and through its port and consider kindred problems such as the right of a farmer, or his hired man, to transport his crops into this market and unload them without interference.

The committeemen are:
For business group: Roger Lapham of Atherton, chairman of the board of Industrial Association of San Francisco; Ettore Avenali, vice president of Crocker First National Bank; W. P. F. Brawner of W. P. Fuller & Co.; Adrien Falk, of Sussman & Wormser; A. Emory Wishon of Pacific Gas & Electric Company; Silas H. Palmer, contractor; Francis Carroll, attorney and president of Junior Chamber of Commerce.

For farmer group: Phil Bancroft, Contra Costa County, vice president of Associated Farmers of California Inc.; Col. Walter E. Garrison, San Joaquin County, and Parker Frieselle, Fresno County, past presidents of Associated Farmers of California; and the following four presidents of county units of Associated Farmers: L. J. Shuman, Lake County; Burt Swartz, Yolo County; Fred L. Hogue, Stanislaus County, and Hank Strobel, Monterey County.

PAINT FIRM DISPUTE OVER SOUTH SAN FRANCISCO, Mar. 21—Difficulties between employees of the Fuller Paint Co. here and the San Francisco Building Trades Council were reported settled today with granting of an AFL charter to the paint workers.

The song "Dixie" was composed in 1859 and used by the Confederates as a war song.

U. S. Funds May Aid
El Camino Real Job

Whether or not the \$7,000,000 Federal grant to aid road construction in California will speed the widening of El Camino Real between Redwood City and Palo Alto could not be determined today, although County Engineer U. S. Marshall declared that without federal aid there was little chance for the improvement.

He pointed out that of the \$1,587,000 spent by the state on new construction in San Mateo County during the past three years, \$1,389,000 came from the federal government. Marshall said that it was probable that the \$7,000,000 federal appropriation had been anticipated in the

Andrew Youngferdorf
Dies of Injury in Fall

As the result of a fall, Andrew Youngferdorf died Monday at his home at 215 Sequoia Ave., where he had lived for nine months. Mr. Youngferdorf, a carpenter, was 59 years of age.

Surviving relatives include two daughters, Mrs. Margaret Downs and Katherine Ross, and a sister, Mrs. Bertha K. Hohman, all of San Francisco, and a nephew, Lloyd L. Hohman, San Jose.

The El Camino Real widening project is to be discussed here Mar. 30 at a meeting of state highway commissioners.

3-Time Loser Wins Leniency

That the county jail sentence imposed by Superior Judge A. R. Cotton Monday on Frederick Fink of San Francisco, alias Roy King, for second degree burglary was made over the strong protest of Dep. Dist. Atty. Louis B. Dematteis was revealed at the courthouse Tuesday.

Fink was arrested with J. K. Treagle Dec. 2 by Menlo Park and Atherton police after burglarizing the Staples liquor store on El Camino Real. A jury convicted Fink Thursday in the record time of 8 minutes.

Dematteis pointed out to Judge Cotton yesterday that Fink was a three-time loser, with a criminal record dating back to 1916 when he was jailed in the state reformatory at Mansfield, O. for larceny.

Fink also served time in the federal penitentiary at Atlanta, Ga. for robbing the mails, and at Welfare Island, New York, for petty theft, Dematteis said.

The deputy district attorney maintained that Fink's long record warranted a San Quentin sentence, especially in view of the fact that the county jail is usually reserved for first offenders.

Wayne R. Millington, Fink's attorney, pleaded for leniency on the grounds that there was some doubt as to Fink's guilt. Fink claimed he was asleep in Treagle's car at the time of the crime.

When Millington asked that Fink be given credit for time already served, Dematteis argued that one year was little enough. Nevertheless Fink was given credit for his incarceration since Dec. 2.

Treagle, on the other hand, who pleaded guilty, who had no prior record, and who applied for probation, was given probation for three years by Judge Warren V. Tryon Mar. 17 on condition that he serve one year in jail.

It was pointed out that Fink will be freed Dec. 2, while Treagle must serve until Mar. 20, 1939, although both were arrested for the same offense and Fink is the more hardened criminal of the pair.

"It is unfortunate that you have such a bad record," said Judge Cotton in pronouncing sentence yesterday. "At the same time, it is such a serious thing to send a man to San Quentin. I don't think the facts in this case, despite your past record, would warrant a prison sentence. You were not armed, there was no violence, and the place you broke into was not inhabited."

"There is some doubt, and this might have been a drinking party as far as you are concerned."

"So despite your record, I do not feel that I should send you to San Quentin. Of course, you have a pretty long record and you have got to be careful you don't make it any longer. I will give you another chance."

Club Opposes Track, Park

SAN CARLOS, Mar. 23—Proposal of Frank A. De Patta and the Veterans of Foreign Wars, Redwood City, to enlarge the training track near San Carlos into an amusement center with possible dog racing was opposed unanimously by members of the San Carlos Community Club last night.

The club voted to send letters to the county planning commission, the board of supervisors, and the boards of health and education protesting the granting of a permit for the venture, pointing out that it was believed the park would be a detriment to the community instead of a boon.

On recommendation of the Garden Club through its acting president, Mrs. Joel Hanson, it was decided to ask the city council to designate the week of May 1-7 as Cleanup Week.

Paraguay and Bolivia are the only nations of the new world which have no outlet to the sea. Most of the hats known as "Panamas" are produced not in Panama but in Ecuador.

CARD OF THANKS

I wish to express my sincere thanks to all my relatives, friends and neighbors, to Redwood City Aerie F.O.E., Menlo Park Native Sons and Daughters, Bonita Parlor N. D., Past Pres. Assn. of San Mateo Co., Painters Union of Palo Alto, Catholic Daughters of Palo Alto, Employees Club, Legion and Auxiliary, Ladies Sodality St. Joseph's Mothers Club, Children of St. Joseph's School and teachers, St. Joseph's alumnae, Matt Harris Club and Town Boys of Menlo for their kind expressions of sympathy and beautiful flowers sent during my sad bereavement, the loss of my dear husband, Mr. C.T. Maloney. I also wish to thank the firm of Tinney and Sons for their many acts of kindness.

MRS. C. T. MALONEY.

Fensel's Survey Of County Nears Completion Here

A. C. Fensel, accounting expert for the California Taxpayers Association, said Monday his San Mateo County survey was within one month of completion. Fensel returned from Alameda and Santa Clara Counties where he did observation work for the association.

"Whether or not we finish within a month depends on how much time I must spend elsewhere," Fensel said. "But I feel that one month's work will complete the task."

"If our time should run beyond the original appropriation, we would give that free," he announced.

All road department accounts are being handled through the service division and the Hollerith machine this month, he said. Next month the Community Hospital accounts will be handled by the machine.

Fensel expects to complete a code of procedure on fiscal operations before ending his work in the county, he said.

Benefits Told In Annexation

Advantages to the Friendly Acres district of annexation to Redwood City were further explained to a delegation from that tract headed by Pres. Forest Emerson of the Friendly Acres Improvement Club by the city council in an informal session following the regular meeting Monday.

Following an hour's discussion, the group decided to report back to the club and set a time for Mayor Paul E. McCarthy to address the membership as a whole on the possibility of annexation.

Meantime, it was agreed, City Manager C. L. Dimmitt and Clyde Henry, owner of the water system supplying the district, should confer regarding a purchase price for the system, should Redwood City decide to buy it in order to supply water to the area.

Belief that there was a majority sentiment in Friendly Acres in favor of annexation was expressed by some of the members of the delegation.

It was explained to them by Mayor McCarthy that residents of

EXPERIENCED PLAYERS MAKE UP ORCHESTRA'S STRING SECTION

During the present Spring season at least, the orchestral group which has been rehearsing every Tuesday evening at the high school will be known as the Sequoia Evening Orchestra. According to its conductor, Max Gelber, the all-important string section is gradually being built up to concert proportions, with a good balance between violins, violas, cellos, and string basses. The personnel of this section and its recruiting ground or musical experience are as follows:

Violins—The violins include the present and three former concert masters of the Sequoia High School Orchestra in Jay Morris, Effie Jean Lightbody, Lillian Einton, and Alfred Albertson. Jack Charnow is a school music teacher in Burlingame and San Carlos. William H. Frick is an old-time player in theaters and the area would not have to assume bonded debts already contracted and being paid for by other sections of Redwood City; that had the district been inside the city last year, for instance, the city tax rate there would have been only about 70 cents on the hundred dollars of valuation.

Cellos—Rea Manning is a Sequoia graduate residing in Belmont and Miss Carolyn Martin is a student at the Notre Dame Academy there. Lola Schink is another Sequoia graduate and Charles Gatchel is a present student. Harold R. Landers, plumber, and Peirce Coombes,

George McGraw belonged to the recent PWA Orchestra here. Herman Kohlmoos is from San Carlos; Rose Russell is from Belmont. Sequoia graduates are represented by Pauline Stumpf of San Mateo Junior College, Sanford Dole of San Jose State, Sylvia Knapp and Philip Demma. Henry Frahm and Gladys Morris are workers in other fields who have retained their musical skill and like to enjoy it. Leon Paso, Maybelle Gordon, Elwayne Lawrence, Wilma Pfafflin, and Charles Ward are present students at Sequoia.

Violas—Mrs. T. M. Badley is the wife of the local YMCA secretary. Ronald Anderson is an instructor at Sequoia High School and came with several years experience in the Orient. Kathleen and Eriar McNeil and Dennis Barrett are Sequoia graduates.

Cellos—Rea Manning is a Sequoia graduate residing in Belmont and Miss Carolyn Martin is a student at the Notre Dame Academy there. Lola Schink is another Sequoia graduate and Charles Gatchel is a present student. Harold R. Landers, plumber, and Peirce Coombes,

lawyer, both find music a stimulating hobby and welcome this opportunity for concerted playing.

String Basses—The bass section of the strings is also typical of the varying interests which are merged in the orchestra, Mr. and Mrs. Glenn Peterson being Sequoia graduates, Lloyd Pratt a present student there, Karl Ernst a music instructor at San Francisco State College and Anna Ott, a former student.

Satisfactory rehearsals continue for the concert on May 6, which will be concluded by several numbers played by this orchestra.

Redwood City

Agent Tells Of 'Deadline'

Attempt of the West Coast Advertising Co. to secure a permit to erect three billboards in Redwood City temporarily pending action by the planning commission on the firm's application was rebuffed when the city council decided Monday not to go over the heads of the planners.

Pointing out that he had first made the application Feb. 7, Ed McGlade, representing the billboard firm, told the council a pending contract which his firm had with the Coca Cola Co. had an Apr. 1 deadline; that he desired action now because the planners do not meet again until Apr. 18.

The planning commission had deferred action on the application last Monday because of absence of two of its members. McGlade, who attended the planners' meeting, did not inform them of the Apr. 1 deadline.

McNULTY DEFINITE
McGlade claimed that if an adverse recommendation came from the planners, followed by denial of the permit by the council, his firm would remove the signs. Locations sought, he said, were (1) Bayshore Hwy. just inside north city limits; (2) Easterly side of El Camino Real just south of Pine St.; (3) Main St. between Beech and Cedar.

Councilman McNulty pointed out that "we referred this application to the planning commission and until we get their recommendation, I am going to be against granting the permit."

"And when I get the recommendation," he added, "if it suits me I'll be for it; if it doesn't, I won't."

He gave no further indication of his attitude.

ONE INDICATES FAVOR
Councilman Eva recalled that "some time ago we refused an application from another firm to erect signs."

Councilman Christensen declared: "I don't see how we can go over the heads of the planning commission."

Only Councilman Fletcher indicated he might favor the billboards.

"It'd do no good to make the motion if it would be voted down," he consoled the signboard representative.

With no one offering a motion to grant the permit, the matter was dropped.

'Disappearing' Wife Is Sued for Divorce

Because his wife "spirited away" his three children and assertedly continues to conceal them and herself, Thomas Franklin Humes, San Bruno, has filed suit for divorce. The Humes were married in October, 1929, in Kansas.

On Mar. 9, Humes complains, his wife stayed away all night. On Mar. 14 she took the children from the San Bruno home and disappeared.

Humes asks for the custody of the three youngsters, Billie Louise, 7; Ralph Lewis, 5; and Mervin Leroy, 1.

Cerberus was the many-headed dog of Greek mythology which guarded the portal of infernal regions.

Get Acquainted with the YOUNGEST BUSINESS MEN IN THE CITY

Do you know the youngest group of successful business men in Redwood City?

We do. They're associated with the Tribune . . . and they're as upright and honest a group of good citizens as you'd want to meet.

One of them calls at your home every day, greets you with a smile, and is glad to serve you. He's proud of his job . . . and the Tribune is proud of the way he does it.

Make it a point to know your Tribune delivery boy. He plays an important part in the Tribune's record for dependability and community service.

There's a Tribune Route in every part of San Mateo County South of Belmont and on the Coast-side.

The Tribune is a home newspaper, edited for the entire family and delivered by your neighbor's son. You can let your children read the Tribune.

Rainfall? 'Old Days' Really Had Some

These 24 or more inches of rain which have been recorded this year in Redwood City are truly quite a few—but nothing to be compared with the rain received here in the "old days."

This fact was brought to light a few days ago when Mrs. E. L. Brown of 9 Sixth Ave., North Fair Oaks, came across an old scrapbook which had been assembled by her late mother.

Among newspaper articles pasted in the book was one dealing with rainfall records between 1849 and the 1880s.

The records were for San Francisco proper, but do, in Mrs. Brown's opinion, give some indication of the rainfall which used to be received in the years which old timers remember as being really wet.

The greatest rainfall came in the 1861-62 season when 49.27 inches were recorded. Runners up were 1852-53, with 35.26 inches, and 1849-50, with 33.10 inches.

They had dry years then, too. Lightest rainfall came in 1876-77, when only 10 inches were received. In 1863-64, the total reached only 10.08 inches.

While Redwood City's rainfall this season has been the heaviest since records were kept in 1924, other areas of the Peninsula have had considerably more rain. Dr. J. C. McGovern's gauge atop King's Mountain, for example, has recorded approximately 60 inches of rain and snow together. Nearly as much has fallen in other areas near Woodside.

The Danube River is 1740 miles long and flows through seven countries.

Easter Sunrise Group Set To Meet Monday

With members appointed by the city council upon the recommendation of Mayor Paul A. McCarthy, the committee in charge of Easter Sunrise Services to be held at Emerald Lake Bowl, Apr. 17, was asked today to meet for the preliminary discussions Monday night at 8 o'clock in the Firehouse Auditorium.

McAuliffe Appointed On Probation Board

Judge Aylett R. Cotton has appointed to the county probation board Judge Edward I. McAuliffe of Redwood City. Judge McAuliffe fills the vacancy caused by the death of John Gill, Redwood City school superintendent.

The ruins of Herculaneum were discovered in 1719.

Norman B. Braly, Miner, Inventor, Taken by Death

Norman Blythe Braly, retired resident of Woodside for 10 years and noted mining engineer and inventor, died early Tuesday in Palo Alto Hospital.

Mr. Braly was graduated with a degree in geology from Stanford University in 1905. He subsequently became general manager of the North Butte Mining Co. in Butte, Mont., a position he held until 1923. Later he was assistant to the president of the Ahumada Lead Co. and a consultant in various mining enterprises.

In recent years he became interested in the development of Price, Utah, where he owned coal lands and other business properties. Mr. Braly is credited with first applying the piece-work time standard of wages to mine operations, and his invention of flexible canvas tubing for the ventilation of mines is now in general use.

Mr. Braly was the descendant of a pioneer Santa Clara Valley family. He was born near Sunnyvale in 1881, the son of the late Eusebius Alexander Braly and Mary Theodosia Braly. His mother still lives, residing at Carmel, as does a sister, Miss Edith Hyde Braly.

His immediate family, who live in Woodside, include his wife, Mary Faye Braly, and five children, Eleanor Faye, Edmund Arthur, Maryalice, Susan Clare and Muriel Jean.

New Rabies Case Found in Atherton

Dr. Charles C. Gans, county health director, today renewed his appeal to dog owners in the unincorporated areas of San Mateo County to keep their animals muzzled, following a flare-up of rabies in the City of Atherton.

Tests at the state laboratory at Berkeley revealed that a dog which bit R. C. Frates Thursday was rabid. The animal had been held in the city pound by Chief of Police J. E. Farrell, who is also city health officer.

The animal died Saturday and Farrell immediately contacted Dr. Gans, who ordered the animal's head sent to the laboratory.

Frates is now taking Pasteur treatments, Dr. Gans said.

Meanwhile the county health department was checking on three more dog bite cases. Barbara Smith, 11, Palo Alto, was bitten Monday.

George Harris, 16, 250 5th Ave., Redwood City, was bitten by a Belgian shepherd Sunday, and was treated at Community Hospital.

CRASH DAMAGES ASKED.

Irene and Andrew Bassetti have filed suit for \$62,815 damages for multiple injuries suffered Mar. 20, 1937, in an automobile accident at Kelly Ave. and Ocean St., Half Moon Bay. Defendant is a "John Doe" Alives.

Woman Intercepts Jockey's Race Home

James D. Leonard, 14-year-old apprentice jockey at Bay Meadows, decided he was going home to his father in Phoenix, Ariz., yesterday because he feared he would never ride in a race.

The youngster, apprenticed to Mr. and Mrs. Emil Bafunno, San Francisco, said he had been taught to use race track jargon, to drink, and to smoke, but had never learned to ride. Closest he got to a horse, he said, was wearing a pair of riding breeches.

He started to hitch-hike to Arizona, but was turned over to authorities by Mrs. Margaret Scheidt, Oakland, from whom he had thumbed a ride. Earlier in the day Mrs. Bafunno had reported the boy's disappearance to police. She said she had bought from the boy's father the lad's contract as an apprentice jockey. He slept at the San Francisco detention home last night.

BURGLAR SENT TO JAIL. Frederick H. Fink, found guilty by a jury last week of burglarizing the Staples Liquor Store at Menlo Park, today was sentenced to a year in the county jail by Judge A. R. Cotton.

Japan leads the major countries in fish eating, its per capita consumption being 55 pounds a year. The consumption in the United States is only 13 pounds per capita.

El Camino Real Project Urged

The board of directors of the Highlands District Improvement Club were on record today favoring widening of El Camino Real and returning the federal highway numbers "101" to the historic Peninsula highway.

Prepared for presentation at the meeting of the State Highway Commission in Redwood City Mar. 30, the highway widening resolution points out that property owners have been forced to provide a setback and are under severe handicap from a business standpoint until the road is widened.

Travel on the highway is expected to be much heavier during the exposition year, the resolution says, and the Redwood City bottleneck will "not only be bad from a safety standpoint but will not attract permanent settlers to this area." The board recommended immediate start of construction on the widening project.

Federal highway numbers 101 should be returned to El Camino because the present Alternate 101

Member Drive Set For Humane Society

Plans for a drive sponsored by the Redwood City Lions Club to raise \$300 to defray costs of the annual Redwood City Pet Show and Parade to be held May 14 were announced here following a meeting of members of the Redwood City Humane Society and the Lions Club.

This amount is the approximate cost of last year's show, the only show of the year which encouraged children to join in a display of their pets, it was pointed out by Sec. Zeldia Harvey of the humane society. Chief expense is rental of cages, amounting to about \$100.

It is expected to raise the funds through enlistment of 300 new members in the society, dues being \$1 a year.

Further steps to formulate a program for the pet show will be taken when the society meets at 8 p.m. Friday in Firehouse Auditorium.

Use Tribune Classifieds for Results.

designation is confusing to tourists and will result in loss of revenue to the area served by El Camino Real, the resolution argues.

Full Prosecution Due for Suspects In 'Bookie' Raids

Felony warrants were issued by the district attorney's office here against seven persons arrested in two raids on bookmakers by Under-sheriff Lawrence Neri and deputies Mar. 15.

Because of repeated offenses, the Caldwell of Belmont will be prosecuted to the full extent of the law, said Dist. Atty. Gilbert D. Ferrell.

Arrested at the Caldwell Hotel were H. Clayton Caldwell, J. C. Caldwell, Claude McLeod, and Manuel Cantania.

Three more complaints were issued for the victims of a raid on "The Bowl" at Millbrae, conducted simultaneously with the Belmont raid; John and Joseph Fischer, and Fred Welte.

Felony charges against the Caldwell in previous trials were reduced to misdemeanors on motion of the district attorney.

Attorney's Absence Delays Bowie Case

An expected clash between attorneys over the Bowie Estate failed to materialize when W. P. Cauba, attorney for Mrs. Anita Imelda Bowie, failed to appear in court.

Lee Ross, representing Mrs. Helen Bowie Detrick and Mrs. Helen Bowie Wolf, contesting the will of the late Allan St. John Bowie under which the widow, Anita Imelda, was sole beneficiary, said he did not wish to take advantage of Mr. Cauba and suggested a continuance for two weeks.

The hearing was to have been on Mrs. Bowie's motion to strike certain portions of the contest as irrelevant, redundant and immaterial. The motion referred to all sections of the complaint referring to Mrs. Bowie's Mexican divorce last year, her subsequent marriage to James O'Brien, and the annulment of the O'Brien marriage prior to her reconciliation with Bowie a few months before his death.

HUMANE SOCIETY SETS MEET
Regular monthly meeting for the Humane Society is set for Friday evening at 8 o'clock in the Firehouse Auditorium, Middlefield Rd., to which the public is invited.

The moon's mass is estimated to be about one-eighty that of the earth.

G-MEN SHOOT FEW

CHICAGO (P)—W. H. Drane Lecter, Federal Bureau of Investigation inspector, told members of the Chicago Academy of Criminology that G-men have had to kill only nine criminals out of 12,000 seized in three years.

Cooking is Fun with a 1938 GAS RANGE with ELECTRIC TIMING

Women who have a modern automatic gas range have time for fun, time for play. They are freed from constant pot-watching because automatic devices eliminate all the fussy, old-fashioned cooking bother that belongs to the Gas Ranges of Yesterday.

Step forward to 1938 Gas Cooking. On these very newest ranges is an electric timer or clock. With an electric timer, cooking goes on automatically for 20 minutes or an hour or so. When your attention is required, an electric signal will call you. With an electric clock you can put a whole meal in the oven and the clock control will start and stop the cooking at exactly the right time.

See these newest miracles in Gas Ranges today. Note the reasonable prices. Buy your 1938 Gas Range right now and save.

*THIS SAVE-\$15-OFFER is in effect March 17 to 26, inclusive, and applies on a 1938 Gas Range selling for \$134.50 or more when equipped with an electric clock and lamp.
